SUMMARY

Oversees and leads all aspects of ski lift operations and assists with ski lift maintenance and repair at Diamond Peak Ski Resort. Responsible for daily lift operations and supervision of staff during operating season by performing the following duties.

ESSENTIAL DUTIES AND RESPONSIBILITIES, not necessarily in order of priority, include the following.
Assigned job tasks/duties are not limited to the essential functions.

1. As directed by the Lift Manager or Ski Operations Manager, leads and manages daily lift operations to ensure safety and efficiency. Completes daily lift pre-operational and maintenance inspections and related logs.
2. Responsible for hiring, training, scheduling and supervising Lift Operations employees and participating in all activities as a working supervisor.
3. Involved in developing and providing comprehensive training programs, including pre-season orientation and on-the-job training and documentation in safe lift operation procedures for employees.
4. Assists with inputting and/or monitoring employee time & pay records using an automated system. Ensures records are accurate each pay period.
5. Works with the Lift Manager to ensure compliance with ANSI B77 standards, fixed grip, detachable and surface lifts. Including routine lift inspections, preventive maintenance, repair/replacement of parts and components.
6. Performs preventive lift maintenance and repair activities directly supporting the Lift Technicians. Operates ski related equipment, including snowmobiles as needed.
7. Prepares lift stations for annual inspections, including working at heights, operating lift controls, running lift in auxiliary or standby mode. Ensures that all equipment, signage facilities are in proper condition.

8. Assumes Lift Manager responsibilities in their absence, including customer interactions, employee supervision to ensure department standards and regulations are followed.

SUPERVISORY RESPONSIBILITIES

Provides daily supervision of lift operations staff in accordance with the organizations policies and applicable laws. Responsibilities include interviewing, hiring and training staff; planning, scheduling, assigning and directing work; appraising performance; rewarding and disciplining staff; addressing complaints and resolving problems. Monitors operations for adverse conditions or situations, complies and enforces operational, maintenance, and safety rules.

QUALIFICATIONS To perform this job successfully, an individual must be qualified to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

EDUCATION and/or EXPERIENCE

Three years experience in ski lift operations and two years in a lead or supervisory position; and working knowledge of lift maintenance and safe tool operations; or equivalent combination of experience.

COMMUNICATION/COMPREHENSION SKILLS

Ability to read and interpret documents such as safety rules, operating and maintenance instructions. Ability to write reports, correspondence and procedure manuals. Ability to speak effectively and respond to questions from customers and employees. The duties and responsibilities of the position necessitate the use of social media for District business reasons.

MATHEMATICAL SKILLS

Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions and decimals. Ability to compute rate, ratio and percent and to interpret graphs.

REASONING ABILITY

Ability to solve practical problems and deal with a variety of concrete variables in situations where limited standardization exists. Ability to interpret a variety of instructions furnished in written, oral, diagram or schedule form.

CERTIFICATES, LICENSES, REGISTRATIONS

Valid Driver's License. It is the employee's responsibility to maintain all required certifications and licenses and to report any changes to the supervisor.

OTHER SKILLS OR ABILITIES

Excellent communication, organizational, supervisory and recordkeeping skills; ability to deal courteously and efficiently with employees and the public; ability to work a schedule which includes long hours, weekends and holidays; ability to deal with changing circumstances in a positive manner. Strong training, customer service computer skills for Word, Excel and financial applications; physical strength and stamina to climb lift terminal and tower ladders; ability to ski/board all levels of terrain; ability to function well in adverse weather conditions; and ability to work safely at heights.

PHYSICAL DEMANDS The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. In compliance with applicable disability laws, reasonable accommodations may be provided for qualified individuals with a disability who require and request such accommodations. Applicants and incumbents are encouraged to discuss potential accommodations with the employer.

While performing the duties of this job, the employee is regularly required to stand, use hands to finger, handle or feel; reach with hands and arms, and talk or hear. The employee frequently is required to walk; climb or balance; stoop, kneel, crouch, or crawl. The employee is occasionally required to sit. The employee must frequently lift and/or move up to 50 pounds and occasionally lift and/or move up to 100 pounds in mountain terrain. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

WORK ENVIRONMENT The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly exposed to moving mechanical parts, and outside weather conditions. The employee is frequently exposed to high, precarious places; fumes or airborne particles; toxic or caustic chemicals; risk of electrical shock; vibration; and radiation from the sun; and wet and/or humid conditions. The noise level in the work environment ranges from moderate to very loud.
